RE: 2010 Raffle Request

Dear Ms. Larson.

As discussed via telephone, this letter serves as our official request to once again hold a series of raffle drawings in the state of South Dakota between the months of March and September.

As you may recall from last year's approval, The Fishing Crew Pro Challenge is a television program that promotes Cure Kids Cancer, with the City of Pierre and the State of South Dakota as two of primary sponsors.

Tickets are sold across the state by way of person to person sales, and also on our website. 100% of the proceeds from these tickets go to Cure Kids Cancer, a subsidiary of The Children's Miracle Network.

For each of our events, a winner is selected at random from all ticket holders, and that person is allowed the opportunity to compete against one of our Professional Fisherman on a body of water in South Dakota. The event is filmed and televised on at least 2 South Dakota television stations.

The timing of each event and method of ticket sales is virtually identical to what we did in 2009, which your office was kind enough to approve.

Thank you for your time, and please call me with any questions you may have.

Sincerely,

Brad Berens
